

MICROCREDENTIALS

CREDENTIAL OUTLINE

Learn key treasury skills on your schedule with **ACT MicroCredentials**, a more flexible route to the ACT's Certificate in Treasury qualification.

Whether you're **building your experience** or **upskilling your team**, MicroCredentials help you upskill with purpose, refresh your knowledge, and explore new areas of treasury while fitting around your work-life schedule.

Take **one MicroTopic** to sharpen your expertise on a focused topic or **build up the full set** to gain our **Certificate in Treasury** qualification.

Capital Markets and Funding

By taking this MicroTopic, you will develop a clear understanding of how organisations access and manage financial resources to support their growth and operations.

Understanding how financial markets operate, the conventions and participants is crucial given the interaction treasurers have with debt and equity markets.

What you will cover

- Introduction to financial markets
- Introduction to capital structure
- Introduction to numerical techniques for treasury

Learning Support

Students will benefit from an active, engaging and supportive online learning experience and gain access to study materials, activities, podcasts, and webinars.

Entry requirements

More information on the entry routes can be found on [our website](#)

Assessment

One online MicroTest, on demand and remotely invigilated, your assessment will be a combination of multiple-choice questions and case studies.

Progression Opportunities

Once you complete this MicroTopic you are a step closer to achieving the globally recognised Certificate in Treasury qualification. Follow this link to see our other available MicroTopics that you can complete.
